

*Tap into
the expertise
of some of
America's
top farmers
at the 2009*

**LEADING EDGE
CONFERENCE**
PROFESSIONAL FARMERS OF AMERICA

**July 13-15, 2009
Downtown Des Moines
Marriott Hotel**

Pro Farmer is an information source, thought leader, and top advisor for many of agriculture's sharpest producers. Leading Edge Conference provides you with complete access to our best thinking – plus you can tap into the expertise of some of America's top farmers.

Expanded Conference Format

- Even more focus on the economy and commodity markets
- Extra half-day devoted to the "Plan Success" workshop with Kevin Spafford. Discuss the defining steps on the road to multigenerational success.

The decisions you make during the **critical months** ahead will impact you for years to come. Join the staff of Pro Farmer, other industry experts and your peers as we discuss ways to **secure the success of your family farm** for 2009 and beyond.

Join us for two and a half days of discussion on topics including:

- Marketing Strategies That Work
- The Future of Land Prices
- New Technology
- What's Next with Farm Policy
- **And More!**

Pro  Farmer
